To Whom It May Concern:

Mr. Jonathan Spungen started his internship with the U.S.-Vietnam Chamber of Commerce when the organization was still in the planning stage. During his tenure, he was assigned to perform research, prepare corporate information, and design the website. Jonathan has also joined a delegation to Vietnam.

During his internship, Jonathan has shown dedication, commitment, and a genuine interest in international business and culture. He has provided us with valuable assistance and helped the launch of the website. During his visit to Vietnam, he has conducted himself professionally and performed certain duties diligently.

In my opinion, Jonathan is a talented, committed professional who will thrive in the pursuit of a successful path in his career. I highly recommend him for any future professional position for which he is interested and qualified.

Please let me know if I could be of any further assistance.

Very truly yours,

Mai Hoang
